Muhammad Awais Sattar

muhawais620@gmail.com +92-335-2999948 Pakistan

OBJECTIVE

Motivated and detail-oriented Software Engineering student seeking a Software Engineering Intern position to apply programming skills and gain practical software development experience. Passionate about learning new technologies, improving coding proficiency, and contributing to real-world projects — In Shaa Allah.

EDUCATION

Bachelor of Science in Software Engineering 2024 – Present
PMAS Arid Agriculture University, Rawalpindi, Pakistan
CGPA: 3.84 / 4.00

Intermediate (ICS – Computer Science) 2021 – 2023
IMCB G-10/4, Islamabad, Pakistan

TECHNICAL SKILLS

Languages
Java (OOP), C++,DSA, HTML, CSS, SQL, Flutter, Dart, Python, C#

Tools & IDEs
VS Code, Eclipse, SQL(SSMS), Pycharm, Android Studio

Concepts
Object-Oriented Programming, Discrete Structures, Data Structure, Data Base System, Probability and Statistics

Soft Skills
Time Management, Communication, Problem Solving, Fast Learner

LANGUAGES

English ●●●●○ Urdu ●●●●●

PROJECTS & COURSEWORK

Hotel Management System (Java)
Developed a console-based system using OOP principles with file handling and JDBC for data storage. Features include room booking, guest management, and billing system.

Hotel Management System (C++)
Built a basic management system using loops, functions, and switch statements to handle room booking and payment processing.

Hotel Management & Reservation System
Desktop Application | C# | .NET | Windows Forms
- Developed a desktop application for hotel reservation and management.
- Implemented guest registration, room booking, check-in/check-out, and billing.
- Applied Object-Oriented Programming (OOP) principles for modular and maintainable code.

INTERESTS

Learning advanced Java programming and software development. | I have a strong interest in learning app development. | Exploring algorithms and data structures. | Building small software projects.
